

*Lots of  
Socks*

## WORLD DOWN SYNDROME DAY 21ST MARCH

Raising people's awareness and  
understanding  
of Down syndrome

The colours for World Down Syndrome Day  
are blue and yellow so you can show your  
support by wearing these colours.

**Wear crazy socks! Instead of selling socks this year we are encouraging everyone to be creative and wear their own odd and colourful socks.**

**Lots of Socks is a campaign to create conversation about diversity, uniqueness, inclusion and acceptance.**

**Why odd socks? Chromosomes are shaped a little like a sock and people with Down syndrome have an extra copy of the 21st chromosome.**

**Organise a gold coin donation and help us by raising funds for Down Syndrome South Australia.**

**We would love to see photos on our Down Syndrome SA Facebook page, make sure you use the hashtags #LotsOfSocks, #WorldDownSyndromeDay and #WDSD20.**

**FOR MORE INFORMATION GIVE US A CALL ON 8245 4600**
